* No shows are non refundable and cannot be transferred to future meetings.

April Showers....

Houston RIMS has welcomed several new members to our Chapter thus far in 2023. I am excited to see this growth, and I look forward to welcoming each of them at our upcoming educational and networking events. As you participate in our events this year, if you see an unfamiliar face, please reach out and say hello.

Are you as excited about RISKWORLD 2023 as I am? RIMS' 2023 global conference, held in the beautiful city of Atlanta, is April 30 – May 3. Hopefully, you are registered, and your conference schedule is filling quickly. I hope to see you there!

Here at home, our April 19 CE luncheon will feature a discussion entitled "The Evolving Landscape of Cyber Insurance" led by Kaitlin Upchurch, SVP Cyber & Technology Practice Leader, from Lockton's Dallas office. Registration is open. While it is at top of mind, why not visit our website and register now!

With RISKWORLD scheduled in early May, we will not offer a CE luncheon in May. However, please mark your calendars to join us at Sam Houston Race Park on Thursday, May 25! Last year's event was a big success, and we are excited to bring it back for a second year.

Your Board of Directors is busy planning several other educational and networking events throughout the year. Forthcoming educational events include our June 21 CE luncheon, which will feature a discussion of Political Risk led by AXA XL. And, in July, please plan to join us for our annual Brunch & Learn at The Briar Club on July 19. The Brunch & Learn runs 8:00AM – 12:00 PM and features 3 hours of CE and a beautiful brunch buffet. Our theme for this year is "Trends in Risk Evaluation and Decision Making". Check our website and follow us on LinkedIn to keep apprised of these and other upcoming events.

Please feel free to contact me directly at jeffrey.strege@academy.com or (346) 773-5588 if you have comments, suggestions, or feedback on Chapter events and forthcoming plans. I would be honored to talk with you.

Lift Up and Lift Off!

Jeff

Photos from the March Luncheon with CPCU

We had a great luncheon last week with CPCU! We were grateful to have Jennifer Gibbs come down from Dallas and speak on avoiding bad faith and the ethical considerations in claims handling. Thank you to our HTX RIMS members, the CPCU Society and Jennifer Gibbs for a great March luncheon!

Thanks for joining Houston RIMS and HMEIC on March 23, Kirby Ice House for a March Madness event. A big shout out to MUNSCH HARDT for being our featured Sponsor. If you could not make this event there are more to come. **See the calender for more dates and times.
